Thank You!

On behalf of the 2009 Auction Committee, we thank you for being here this evening to help celebrate and support the outstanding music programs at Harbour Pointe Middle School.

The 12th Annual Music Booster Auction is the result of many volunteer hours committed to enriching the music experience our children enjoy at Harbour Pointe Middle School. Many thanks to everyone who volunteered their time and talents.

This year, we are very fortunate to have the support of Corporate Sponsors and Supporters. We want to thank them for their generosity, as well as everyone who donated goods and services. We are also grateful for the support of the staff, teachers, parents and the community-at-large.

As always, we would also like to thank our families, including our parents and especially our spouses, for their patience, understanding and support over the past six months.

We hope you have a fun evening tonight! We greatly appreciate your contributions to making this a successful fund-raising effort.
